### PROFILE

I am an extremely hard worker who is enthusiastic, positive and energetic. I am highly organised with excellent time management skills, always ensuring that I give the very best to any job that I am assigned to. As someone who appreciates and values every section of the creative industries, I aspire to be the very best that I can be and will take any opportunity to develop the skills that I have and learn new ones.

## **SKILLS & ASSETS**

### **Experienced Follow Spot Operator**

I am a highly focused and competent operator, who is able to work both independently and as part of a team using information from prompt books, cue sheets & directed through communications

### **Experienced Stage Manager & Live Event Crew**

I have previous experience of being a Stage Manager on fast-paced and demanding productions. I also have experience in major productions & live events, and am looking to further expand my experience in the industry.

### **Sound, Video, Broadcast Production & Conferencing**

I have experience using the following programs, I am also competent in the use of Microsoft Office Programs

Sound editing

- Audacity

Video editing

- Premiere Pro
- Premiere Rush
- iMovie

Broadcasting programs

- OBS

Conferencing programs

- Zoom
- Microsoft Teams

### **Podcast Production & Editing**

During my spare time while studying at University, I decided to record a creative industries based podcast show where I have had the opportunity to interview industry professionals.

### **Construction & Scenic Art Skills**

**Creative Industry Safety Passport Holder (valid until October 2023)**

**Screenskills - Coronavirus Basic Awareness On Production Training**

**Screen Alliance Wales - Covid-19 Training for Film & TV**
