About me

My motto is "Do what you love and love what you do"  
So I stay busy within the creative Arts enjoying being part of the Indie scene on both Screen and Stage. Nothing helps the soul more than laughing, which is why I enjoy my Improv. I write (award winning) monologues (and perform). Currently developing a one person show about a real person during the Silent Movie period. Always willing to talk about new projects drama and comedy. On stage as well as screen as my resume shows.
