Profile

Hello! I'm an Italian girl looking for screen roles whenever I can. My dream is to make it into the UK and USA industry, but it's very hard because of the VISA situation. I always try to do everything I can to improve my skills and I love learning and receiving feedback from others.

I'm also a model, currently represented by a non-exclusive agency called E1 MODELS, based in Germany.

I can often travel at my expenses and cover the cost of my stays too.

Thank you for reading!
